Looking for a fundraiser idea to help raise money for your cause? Why not promote your school or organization with spirit wear at the same time. Have an idea for a design? Allow us to put that idea on a shirt. Need help coming up with an idea? We will work up designs for you free of charge. T-shirts offer a great opportunity for fundraisers, usually offering a 100% return on your fundraising dollars.

Since we are a local business we will work closely with you to help plan, and execute your fundraising effort. We do multiple colored designs, and offer a wide range of shirt colors to best suit you design. We will work together to determine a great design to get the most bang for your buck. If you want something other than t-shirts to offer as a fundraiser, we can probably help there too. We offer a wide variety of items other than t-shirts. Caps, visors, bags, stadium seats, yard signs, just to name a few.

Feel free to give us a call at 731-225-4275 or 731-358-9015, or drop us an email at digitalgraphix38@gmail.com and let us discuss the possibilities and how we can help you achieve your fundraising goals.

See the next page for examples of flyers that we will design for you to circulate for ordering your shirts, and we will also give you a self calculating master tally sheet to help you keep up with all of your fundraiser orders making your job easier. Let us do all of the work, and all you have to do is count your profit!
